

Rental Agreement - Lawn Games

Event Reservation

A signed rental agreement and non-refundable deposit of fifty percent (50%) of the total rental price is required to reserve a date for an event. Should the rental be cancelled for a reason not addressed in this rental agreement, the renter will forfeit the deposit.

Rental Period

The standard rental period is for six (6) hours between 8:00AM to 8:00PM of the same day. The rental time period can be adjusted if requested, all adjustments to the standard rental period must be agreed upon by both parties and specified in the rental information document. Depending on the time requested, delivery charges and game rental cost could differ from the rental literature. The renter is responsible for safely storing the games from the start of the event until they are picked up.

Rental Security Deposit

A security deposit of two hundred fifty dollars (\$250.00) will be collected from the renter and held until the games are picked-up and confirmed to be in the same condition they were delivered. This security deposit will be used to repair any damage outside of normal wear and tear should it occur. The security deposit will be returned by check when the games are picked-up. Should the renter be unavailable at the end of the event, the check will be mailed to the renter in a timely manner, no longer than one (1) week after the conclusion of the event.

Final Payment

The final payment in the amount of the outstanding balance is due one (1) week from the date of the event. The games will not be delivered and setup if final payment is not received prior to the start of the event.

Inclement Weather

In the event of inclement weather it is the responsibility of the renter to move the games inside to protect them from sustaining damage. In the event of inclement weather prior to the start of an event where the venue does not have an indoor contingency plan, the renter will be provided a full refund of the rental price.

Rental Game Unavailable due to Damage or Theft

Every attempt will be made to rebuild a lawn game prior to a reserved event, should it be stolen or completely destroyed by the previous renter. However, should a game be unavailable to rent due to damage or theft, the following actions will be taken:

- An available alternate game will be offered with the rental price adjusted accordingly.
- A refund will be given for the game that is unable to be rented.

Rental Game Denied by Venue

In the event that a game is determined to be unsuited for the venue because it could cause damage to either the venue or the lawn game itself, the following actions will be taken:

- An available alternate game will be offered with the rental price adjusted accordingly.
- A refund will be given for the game that is unable to be rented.

Wear and Tear

The appearance of the games may be slightly different than in the rental literature because of wear and tear. The games are subject to wear and tear from normal rental use and may sustain minor cosmetic damage and blemishes during the rental period, the renter is not liable for this type of damage.

Repairable Damage

The renter acknowledges that they are liable for any and all repairs required, outside of normal wear and tear, to make the games available to be rented for the next event. The condition of each Rental Game will be documented before and after the rental period to justify any repair costs that are charged to the renter. The security deposit will be used to pay for any required repairs, any remaining security deposit will be returned to the renter and additional costs exceeding the security deposit will be the responsibility of the renter.
